Technology
Practice many ways
This isn't the time to use technology to refine the model we had before; this is a time to harness technology to let children go as far and as fast as they want.

Stephen Heppell
In order to best prepare students for life in the future they need to learn with the tools of the present
Technology

- Tools
- Ipads
- Problem solving
- Google Drive
- Protractors
- Calculators
- Choice
- Laptops
- Creating
"Play is the highest form of research"  
Albert Einstein

"Dear Google, thank you for doing most of my homework for me. You're amazing."

- Model reading and writing
- Ask about friendships
- Overview as guide
- Real life maths
- Talk with your child
'The principle goal of education is to create men and women who are capable of doing new things, not simple repeating what other generations have done.'

Piaget
