Dear Parents of prospective 2021 students,

St Bernard's recognises that these are challenging times for families. Many may be finding themselves under added financial stress due to the Covid-19 outbreak. We do not wish any family to be denied a faith based education at our school and would like to emphasise Bishop Anthony's recent letter to all families with children at schools in the Broken Bay Diocese;

“While our schools rely heavily upon the support of our families, I have asked that at this time, we do all we can to support those suffering immediate financial hardship. It is with this in mind, I have approved new initiatives that will be implemented immediately, and are targeted specifically to families in greatest need as a result of financial stress.”

Bishop Anthony.

Please contact us if you would like to pursue an application for enrolment, we are here to help.

Gill Austin
Principal
